President Roosevelt

a World Figure.

The part played by President Roose velt in the peace negotiations which terminated so happily, as told by the Associated Press in The Journal yesterday morning, will, as a Berlin report says, establish him as the first figure in international statesmanship.

Probably no man in public life has ever grown to such proportions in public esteem and confidence as has President Roosevelt, and particularly during the past two years. He not only received the largest copular vote ever cast for a presidential candidate, prejudice, but he is easily today the with the average number of copies the start. most stalwart representative of the daily: American "idea" which the country July
